Examiner Comments

Drawings

The drawing sheet marked "Replacement Sheet" were received on **02/17/2006**. This drawing sheet has been approved by the Examiner.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art fails to show or teach the combination and arrangement of the claimed elements of the invention, along with the claimed features which form or are recited as a part of these recited lighter elements, which includes a lighter housing having an upper cover and case, a gas container in the case, a combustion device communicatively connected to the gas container, means for igniting fuel, a connector, and a connecting device arranged such that wherein, when two shaped sidewalls of the connector are fittingly engaged with two longitudinal grooves formed along two side walls of a downwardly extended edge port of the case, a connection device including a coaxially aligned bolt, a protuberance hole and two transverse connector holes forming a pivotal connection between a protuberance of the upper cover, is hidden within the case side edge at a position below an upper edge of the case so as to pivotally connect the upper cover with said case.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
